### **Présentation des activités**

Freizeitladen is a social institution for kids and youth. We welcome children at the age of 8 to 14 years after they finished their day at school, these children live partly under difficult family circumstances. In addition to family and school, Freizeitladen offers a large number of projects and is, therefore, an important part of their socialization. We offer children and teenagers an open space to develop their own competencies, including social education.

Each member of our team has his/her own talents ? so everybody can learn something from each other. Some are specialists in handcrafts, some in cultural projects (like circus or theatre) and some for outdoor education and sports activities. We are all looking forward to share our knowledge and skills.

The volunteer is an equal part of the team. He/she will be included in the pedagogical and daily work as well. In the pedagogical part of the work, he/she can plan and arrange own projects, of course with the support of the whole team. For example, the volunteer can organize a sports activity or present a way of living in his/her culture, like traditions or typical food?etc. He/she can support us in the project ?Gut drauf? which is an offer for healthy food, motion and relaxin.

### **Modalités de candidature**

Please follow these steps of our application process:

1. Download our application form in English, Spanish, French, Italian, Turkish or Russian and fill it in (in English) :

<http://euowerkstatt-jena.de/hosting/application/>

2. Register to the European Youth Portal of the European Solidarity Corps, because we need your registration number for the application.

3. Send us your complete application form to [hosting@euowerkstatt-jena.de](mailto:hosting@euowerkstatt-jena.de)

Please don't send us applications without our own application form, thank you!

Please keep in mind that you will need a sending organisation if you will be picked as a volunteer.

Start to contact organisations soon, so they can help you with writing your applications. You can search for organisations in your town or country on our web site.

Applicants from Russia: Please contact our partner organisation Vladimir Euroclub: [elena\\_ku@mail.ru](mailto:elena_ku@mail.ru)

Applicants from Spain: Please contact our partner organisation Asociación Mundus: [envios@asociacionmundus.com](mailto:envios@asociacionmundus.com)

Applicants from Turkey: Please contact our partner organisation Pi Gençlik Derneği: [iletisim@pigenclikdernegi.org](mailto:iletisim@pigenclikdernegi.org)

How we will continue

After the application deadline, we will transfer your applications to our hosting projects. Our colleagues in these organisations will have a close look at your applications and will contact you to have a videocall. In the end, they will be the ones to decide who will become the new volunteer in their hosting project, not Euowerkstatt.

Important, please note!

Unfortunately, we will only know in June or July, if our project will be financed or not. So please keep in mind that you are applying for a not yet approved project here. Therefore, we clearly advice applicants from non-EU-countries, to look for projects that start later than ours: We simply can't tell, if there will be enough time (between the approval and the start of our project) for you to get a visa for Germany.
